Lot 3 is a rare offering in this thoughtfully planned coastal community and one of only three remaining homesites in Phase 1. Here, your time will be spent watching the whales breach, the eagles soar and the sun slowly set into the sea in a quiet display of coastal grandeur. Just up the street from Depoe Bay's iconic harbor and charming town, this lot offers a balance of seclusion and accessibility, with boutique shops and celebrated dining moments away. Pre-approved plans for a refined three-bedroom residence are included, designed to harmonize with the land and elevate the view.
